## WHO'S WHO

### JOAN FORAN (Fiona)

A "mainstay", former board member returns to the stage with the same effectiveness she brought to the Women and Night of the Iguana.

### KAY McINTYRE (Teresa)

The secretary in Forty Carats is reunited with Director Paul Kussman for the third time. Another fine example of Kay's versatility.

### DAVID BOSSIO (Frank)

Lately seen as Sir Wilfred, Barrister Extraordinaire, in Witness and the Bumbling Magician in "The Sorcerer Who Couldn't Read".

### DON SCOPE (Bob)

Surely his portrayal of Bob Phillips will rival his Billy Boylan in "40 Carats". In his spare time Don has become what he terms gentleman farmer.

### ARTHUR O'MALLEY (William)

Actor, playwright, board member . . . The Fantastics, Life With Father, etc. and Director of our next play "How To Succeed in Business".

### KATHLEEN DOOHER (Mary)

Shades of 40 Carats and Mabel The Mushroom! Come Up and See Her Sometimes and the surprise ending in Witness.

### PAUL KUSSMAN (Director)

The Women, 40 Carats, The Sorcerer, Vice President of the Club, Chairman of the House Committee and in his spare time Paul is the High Chief on the Totem Pole of the Roxbury Community Service Center.
